DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 7/3/2006 has been entered.

Allowable Subject Matter

2. Claims 21-30 and 32-41 are allowed.

3. The following is an examiner's statement of reasons for allowance:

The independent claims have been amended to claim that each of the support holders are directly mounted to one of the plural light valves and that the holders are fixed to the synthesizing unit. This was not found in the prior art in combination with all of the other claimed limitations of the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
